Homework expectations	
Please ensure your child completes the maths and English learning opportunities from the menu below. Please also encourage your child to do some of the transition booklet and it would be lovely to see some artistic creations.	
Maths learning	**English learning**
This half term we will be focusing angles and algebra as well as revising and consolidating key areas of maths. Angles 1 Compare and order angles 2. Calculating missing angles Algebra Work through the first and third videos from Whiterose (Find a Rule – one step and forming expressions). Watch the video, complete activities as you go. Re-watch if you are not sure. You could challenge yourself to the other videos too.	**Reading task 1** Reading this Newspaper report related to our history unit about Equality. Answer questions in your book. **Reading task 2** Read these four poems. What poetic devices can you identify? Seasons Four Seasons Sun Laughing The Moon at Knowle Hill Which poem was your favourite? Why? **Writing Task** Write your own weather inspired poem. You could focus on one season (you could look at summer time and notice what is going on outside), or, you could choose to show all of the seasons in your poem. **Assignments are set on Spelling Shed linked to spelling lessons in school.**
Create it	**Transition**
Create some artwork related to your time at Ellison. You could draw, colour, paint or make something 3D. You could use the Ellison logo, teachers, favourite memories/subjects or anything else you can think of in your artwork.	You have been given a transition booklet. This will help you to reflect on the changes that will happen later in the year. (Online version of booklet: Part 1 Part 2.) Spend time thinking about questions that you have as you will have an opportunity to ask these later in the term.
