Year Group: Year 6 Unit: Equality Term: Summer 1

Daily expectations	There
Reading and times table practise should take place daily.	
Homework expectations	
Please ensure your child completes the maths and English learning opportunities from the menu below. Please encourage your child to complete ***at least one*** other homework suggestion for each of the different sections; Discuss it, Move it, Research it. Children can complete all opportunities if they prefer.	
Maths learning	**English learning**
Fractions This half term we will be focusing on shape, including reflection and translation before moving on to percentages. Work through these lessons and complete the activities when it instructs you to. Make sure that you check your answers and re-watch the videos. Percentages (revisit) 1 Percentages of amounts Statistics 2. Line Graphs 3. Pie Charts Ratio 4. Ratio and Fractions 5. Calculating Ratio	**Reading task 1** Reading this biography about Alan Turing and answer the questions in your book. **Writing task 1** – Write a biography 1) Choose someone you would like to write a biography about. This could be a famous person from history (you could link it to our history unit), a scientist, someone you look up to or a member of your family. Find out all about their lives. 2) Make notes on key information about them such as early life (where they were born, their family), their careers and achievements and later life or today. 3) Use your research to plan, draft and edit a biography all about your chosen person. This could include pictures, timelines and subheadings. Remember to use a range of time adverbials and make it informative but interesting to read. **Writing task 2** Practise writing de:de sentences. These could link to characters and settings in our class text 'The Secret Garden', a book you are reading at home or any topic that interests you. **Assignments are set on Spelling Shed linked to spelling lessons in school.** 

Ellison Primary Academy Homework Menu

Discuss it	Move it	Research it
Discuss the following topics with family or friends: What does equality mean to you? Are equality and fairness the same thing? Is being treated equally always a good thing? How has equality changed over time?	• Take part in the UNICEF Kid Power Challenges • Interval training • Athletics- running, jumping and throwing. • PE at home challenges • Enjoy a walk in somewhere new	**Science** Find out about: - Electricity and how it works - Circuits - Using electricity safely • BBC - Electricity • Electricity - Make sure to try the circuit builder **History** Across history, many people have campaigned for equal rights for different groups of people.
