Year Group: Year 6 Unit: History – Early Islamic Civilisation Science – Health and the circulatory system Term: Spring 1

Daily expectations	There
Reading should take place daily. Maths blast including all times tables should take place daily. Use TT Rockstars, Topmarks Daily 10 or use the Percy Parker songs on YouTube.	
Homework expectations	
Please ensure your child completes the maths and English learning opportunities from the menu below. Please encourage your child to complete ***at least one*** other homework suggestion for each of the different sections. Children can obviously complete all opportunities if they prefer. Homework can be recorded in their purple homework book provided (not Home Learning books) or if your child wishes to complete their learning through other means, e.g. use of PowerPoint, Word, drawings or models then they are more than welcome to be creative.	
Maths learning	**English learning**
Fractions This half term we will be focusing on fractions. Work through these lessons and complete the activities when it instructs you to. Make sure that you check your answers and re-watch the videos. Maths 1 - Click here and choose equivalent fraction Maths 2 - Click here and choose add and subtract factions Maths 3 - Click here and choose add mixed numbers Maths 4 - Click here and choose multiply fractions by integers Maths 5 - Click here and choose multiply fractions by fractions	**Reading Tasks** For your home learning, use these 5 lessons to explore the text 'Holes'. LO: explore the opening of a text LO: to analyse a setting LO: to analyse a character (part 1) LO: to analyse a character (part 2) LO: to analyse language choices Compare and contrast the two stories. Which is your favourite? Why? **Sentence Menu Task** Look at the Ellison Sentence Menu for Year 6. We will focus on using de:de sentences and tell: show 3; examples sentences this half term. Practise writing examples of these sentences about a setting, character or topic of your choice.

Ellison Primary Academy Homework Menu

Feel it

- Explore Mindfulness
- Take part in some of the ZUMOS activities
- Create a jar/envelope of dreams, wishes, hopes and goals for the year ahead. Decorate your jar/envelope you would like.
- Create your own Zentangle (click here for more information)

Move it

- Choose activities from Born to Move
- Take part in the UNICEF Kid Power Challenges
- Explore how the follow exercises impact your heart rate:
  - Sit ups
  - Running
  - Walking
  - Dancing

Measure your heart rate/pulse before and after you exercise. Which exercise increased your heart rate the moment?

Research it

- Find out about Islam, how Muslims demonstrate and practice their faith including festivals, daily rituals and beliefs.
  - Islam useful website 1
  - Islam useful website 2
- Find out about the Early Islamic Civilisation
  - Early Islamic Civilisation Links
- Research all about the circulatory system
  - Circulatory System Website 1
  - Circulatory System Links

Share your research in a creative way e.g drawings, diagrams or an informative leaflet. You could even create a model of a heart or the circulatory system.

Draw it

- Draw your own wintry scene. Add extra details, tones and shading.
- Think about the patterns and colours of winter.

Create it

- Create your own model of the heart or circulatory system. You could use items that you have at home and be as creative as your like.
