Key Stage 2 Home learning Year: Year 6 Week Beginning: 6th July

Choose an appropriate activity for your children ensuring that you have talked about internet safety before undertaking the tasks below.

Please remember that you do not need to print the activity sheets in order to complete the learning activities (although you are often able to if you wish and this is easier for you). These can be completed in the purple books (or other books or paper you have at home). Please get in touch with the school office if you require a new purple exercise book.	
Monday	
English	**Today you will focus on your reading skills when analysing a text.** Click here to load BBC daily lessons. Watch the videos and complete the learning activities.
Spelling	**Over the next couple of weeks, you will revisit, review and consolidate your spellings from the Year 5/6 word list.** Click here to access Spelling Frame. Choose 'Spelling Tiles' then click 'View Words'. Listen to the words being used in sentences and check the definition of any words that you are not sure of. Write interesting sentences using these words.
Maths	**Today you will be learning about calculating angles including those that are vertically opposite.** Before you start, revisit your learning about angle estimation. Visit the Nrich activity. Look at the target angle, click the circle to start the line moving and click again where you think that you are close to the target. Increase the level for more challenge. Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. Visit Whiterose for a supportive video explanation (choose Summer week 11 lesson 1).
Tuesday	
English	**Today you will revisit the William Shakespeare play 'The Tempest'.** Click here to load BBC daily lessons. Watch the videos and complete the learning activities.
Spelling	**Over the next couple of weeks, you will revisit, review and consolidate your spellings from the Year 5/6 word list.** Click here to access Spelling Tiles. Complete the segmenting activities and the game.
Maths	**Today you will be learning about calculating angles in a triangle.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. Visit Whiterose for a supportive video explanation (choose Summer week 11 lesson 2).
Wednesday	

English	**Today you will explore the William Shakespeare play 'The Twelfth Night'.** Click here to load BBC daily lessons. Watch the videos and complete the learning activities.
Spelling	**Over the next couple of weeks, you will revisit, review and consolidate your spellings from the Year 5/6 word list.** Click here to access Spelling Frame. Take the test. Create a spelling scribble for any words that you are still unsure of. Here is an example. If you are feeling confident with this word list, review the wider list and choose five words that are the most difficult for you.
Maths	**Today you will be learning about calculating angles in a quadrilateral.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. Visit Whiterose for a supportive video explanation (choose Summer week 11 lesson 3).
	Thursday
English	**Today you will explore Shakespeare Reimagined: Romeo and Juliet** Click here to load BBC daily lessons. Watch the videos and complete the learning activities. Challenge: compare and contrast Romeo and Juliet to The Tempest. How are they similar? How are they different? Think about the genre, key themes, characters, relationships and settings.
Spelling	**Over the next couple of weeks, you will revisit, review and consolidate your spellings from the Year 5/6 word list.** Click here to access the next word list on Spelling Frame. Choose 'Spelling Tiles' then click 'View Words'. Listen to the words being used in sentences and check the definition of any words that you are not sure of. Write interesting sentences using these words.
Maths	**Today will be calculating angles in polygons.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. Visit Whiterose for a supportive video explanation (choose Summer week 11 lesson 4).
	Friday
English	**Today you will practise your reading skills focusing on retrieval and vocabulary.** Click here to access a text called 'Artists' Gallery'. Read the text very carefully. Then, scroll down and complete the multiple-choice section and the find and copy section. Make sure you read the instructions carefully before you answer.
Spelling	**Over the next couple of weeks, you will revisit, review and consolidate your spellings from the Year 5/6 word list.** Click here to access Spelling Frame. Complete the activities and the game. Challenge yourself to the test.
Maths	Before you start today's maths learning, you can review your learning about angles and other properties of shapes here. View the answers. If there is anything that you are unsure of, look back at previous days lessons to support your understanding. **Today you will be learning to use your problem-solving skills.**

	Click here to load BBC daily lessons. Choose the maths lesson and complete the Friday maths challenge.
