Key Stage 2 Home learning | Year: Year 6 | Week Beginning: 29th June

Choose an appropriate activity for your children ensuring that you have talked about internet safety before undertaking the tasks below.

Please remember that you do not need to print the activity sheets in order to complete the learning activities (although you are often able to if you wish and this is easier for you). These can be completed in the purple books (or other books or paper you have at home). Please get in touch with the school office if you require a new purple exercise book.	
Monday	
English	**Today you will focus on your summarising skills.** Click here to access the reading lesson from Oak Academy. Read the extract from The Faraway Tree. Pause the video when it tells you and click 'next' at the bottom of the screen to access the summary questions to answer in your purple books. Then you can start the video again to see the answers.
Spelling	**This week you will be learning about homophones.** Click here to watch a video all about homophones. Click here to access a Super Movers activity about homophones. Get up off your feet! Create your own list of homophones that you can think of. Which homophones do you often get mixed up?
Maths	**Today you will be learning about ratio.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. Visit Whiterose for a supportive video explanation (choose Summer week 10 lesson 1).
Tuesday	
English	**Today you will focus on your summarising skills.** **Click here** to access the reading lesson from Oak Academy. Take the quiz to review your learning from yesterday. Read the extract from The Faraway Tree. Pause the video when it tells you and click 'next' at the bottom of the screen to access the summary questions to answer in your purple books. Then you can start the video again to see the answers.
Spelling	**This week you will be learning about words with silent letters.** Click here to load spelling frame. Choose 'Spelling Tiles' and then click 'View Words'. Listen to the words and to them being used in sentences. Check the definition of any words that you are not sure of. Write interesting sentences using these words – make sure you use the correct spelling.
Maths	**Today you will be extending your knowledge of ratio.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. Visit Whiterose for a supportive video explanation (choose Summer week 10 lesson 2). If you are feeling confident, explore this ratio problem. Explain your reasoning.

Wednesday	
English	**Today you will explore the features of an explanation text.** Click here to access Oak Academy. Read the explanation text on the video (there is some vocabulary work first). Identify the features that you can see in the given text.
Spelling	**This week you will be learning about homophones.** Click here to load spelling frame. Choose 'Spelling Tiles' and complete the segmenting activities. Complete the game.
Maths	**Today you will be using scale factors.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. Visit Whiterose for a supportive video explanation (choose Summer week 10 lesson 3).
Thursday	
English	**Today you will explore how to use parenthesis which you will be able to include in your explanation text.** **Click here** to access Oak Academy. Take the recap quiz and then watch the video. They will give you time to pause the video and complete independent tasks.
Spelling	**This week you will be learning about homophones.** Click here to load spelling frame. Try the practise and challenge yourself to the test.
Maths	**Today you will be solving ratio problems.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. Visit Whiterose for a supportive video explanation (choose Summer week 10 lesson 4).
Friday	
English	**Today you will write your own explanation text.** Click here to access Oak Academy and take the recap quiz. Watch the video. Use the success criteria to write your own explanation text. Remember to include parenthesis like you practised yesterday.
Spelling	**This week you will be learning about homophones.** Explore a new list of homophones. Listen to the words in sentences and challenge yourself to use them in your own sentences. Can you come up with a way of remembering how they should be used?
Maths	Before you start today's maths learning, you can review your learning about ratio here. View the answers. If there is anything that you are unsure of, look back at previous days lessons to support your understanding.

	Today you will be learning to use your problem-solving skills. Click here to load BBC daily lessons. Choose the maths lesson and complete the Friday maths challenge.
