Key Stage 2 Home learning | Year: Year 6 | Week Beginning: 4th May

Choose an appropriate activity for your children ensuring that you have talked about internet safety before undertaking the tasks below.

Monday	
English (Reading and writing)	**Today you will be investigating setting descriptions** Click here to load BBC daily lessons. Choose the English lesson, watch the video and complete the learning activities. Why not look at books, or online books that you can access, and find examples of good setting descriptions?
Spelling	**This week you will be learning about suffixes –cial and tial.** Click here to load spelling frame. Choose 'Spelling Tiles' and then click 'View Words'. Listen to the words and to them being used in sentences. Check the definition of any words that you are not sure of. Write interesting sentences using these words.
Maths	**Today you will be simplifying fractions using your knowledge of common factors.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. If you are struggling, use this activity to remind yourself of some key fraction learning.
Tuesday	
English (Reading and writing)	**Today you will be learning to use personification in a setting description.** Click here to load BBC daily lessons. Choose the English lesson, watch the video and complete the learning activities. This website has more examples of personification and other types of figurative language to develop your understanding further.
Spelling	**This week you will be learning about suffixes –cial and tial.** Click here to load spelling frame. Choose 'Spelling Tiles' complete the three segment activities. Challenge: think of some of your own words with these suffixes.
Maths	**Today you will be learning to compare and order fractions.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. If you are struggling, make sure that you are confident with simplifying and finding equal fractions first. You can do that here.
Wednesday	
English (Reading and writing)	**Today you will be learning to use relative clauses to add detail to setting descriptions.** Click here to load BBC daily lessons. Choose the English lesson, watch the video and complete the learning activities. Challenge yourself to include other sentence structures from the

	Ellison Sentence Menu in your own setting description.
Spelling	**This week you will be learning about suffixes –cial and tial.** Click here to load spelling frame. Complete the remaining 'Spelling Tiles' activities and the game. Challenge yourself to this extra anagram game with different words: anagram game.
Maths	**This week you will be learning to add and subtract fractions.** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. If you are struggling, remind yourself using pictures to begin with. You can see examples here.
	Thursday
English (Reading and writing)	**Today you will be learning to use your reading skills.** Click here to load BBC daily lessons. Choose the English lesson, read the extract of 'Tell Me No Lies' by Malorie Blackman and complete the learning activities. Challenge yourself to include other sentence structures from the Ellison Sentence Menu in your own setting description. You can read a biography about the author here.
Spelling	**This week you will be learning about suffixes –cial and tial.** Click here to load spelling frame. Complete the practise and challenge yourself to the test when you are feeling confident. Complete a word pyramid for any words that you are struggling to remember. 
Maths	**This week you will be learning to add and subtract mixed numbers** Click here to load BBC daily lessons. Choose the maths lesson, watch the video and complete the learning activities. If you are feeling confident, you can review your learning about fractions with this quiz. View the answers.
