Caring Creative Critical Collaborative

Year 1

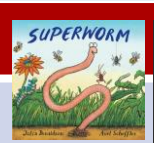

Autumn Term Curriculum Information

Reading

We will be exploring sequencing and retrieval VIPERS skills through our book banded Rocket Phonics reading books.

Phonics Progression

Writing

Handwriting
Sentence structure – Using Superworm as our fiction text and information texts about minibeasts.
Moving forward into Autumn 2 we will be exploring sentence structure and beginning to recount The Disgusting Sandwich.

Maths

Place Value, Addition and Subtraction, Shape.
During this term we will explore the place value of tens and ones.
Through this unit we will introduce the number line, finding more than and less than and understanding greater than, less than and equal to.

Science

Living things and their habitats
Animals including humans

Computing

Data and information – pictograms
The children will explore how we can collect and represent data using technology by using a computer programme to create their own pictogram. **Digital Photography-** In this unit the children will use digital devices to take photographs; exploring how light, angles, distance and focus can effect their results.

PSHE

Being Me in My World- The children will explore their hopes and fears for the new school year as well as how rewards and consequences are part of our everyday lives. **Celebrating Differences-** Children will explore their differences from each other, how to tackle bullying and that being different from our friends is ok.

PE

Fundamentals & Team building games

Invasion games & Gymnastics

Art and Design

Paul Klee- The children will explore the artist Paul Klee and how he used line to create his art work. The Children will use different types of lines as well as pressure and control to draw their own portrait in the style of Paul Klee.

Year 1

Autumn Term Curriculum Information

Design Technology

Nutrition- The children will explore what a balanced and healthy diet looks like, how to prepare ingredients, taste test and finally plan and create their own recipe. They will create their own version of a healthy wrap and once completed the children will evaluate their dish based on a set criteria.

History

The Gunpowder Plot- The children will explore the events of 1605 and know how they are still remembered today. They discover why the plotters tried to get rid of King James I as well as the reasons behind the plot failing. Children will celebrate Bonfire Night with a themed day and share their knowledge of the Gunpowder plot.

Geography

Would you prefer to live in a hot or cold place? In this unit the children will be able to name and locate the seven continent and five oceans. Children will compare both hot and cold places on the Earth; noting where the equator and North and South poles are located.

Reminders

Reading is a crucial part of your child's learning. Children should read at least four time a week.

Numbots – practise of number bonds and multiplication facts.

Helping Your Child at Home

Music

Call and response –
The children will use a range of instruments to represent animals, copy rhythms and create call and response rhythms. The will then create a final performance where they use different sound patterns with contrasting dynamics.

RE

Are Christians Caring?
Listen to examples of care and concern shown by communities including religious communities and **explore** the reasons for these actions.
Why does Christmas matter to Christians?
Explore the preparations for and **find out about** the celebration of festivals.

P4C

Critical – We challenge and test our ideas.
Caring – We listen with care.
The children will focus on being critical and caring in their P4C lessons. They will use stimuluses based on kindness and teamwork to explore how they can listen to others and challenge ideas.
