Early Years Expressive Arts and Design Focus

Autumn Term- Key Artist: **Picasso** surrounding their key concept of **colour** alongside their secondary concept of **identity**.

The children will explore their self; observing and creating self portriats recognising key features of their own, they will explore colour mixing using primary and secondary colours and they will progress their skills within mark making whilst using a range of tools.

Early Years Expressive Arts and Design Focus

Spring Term- Key Artist- **Herni Matisse** surrounding their key concept of **Shape**, alongside their secondary chosen concept of **Change**

The children will explore the concept of shape having mostly observed the shapes that surround them everyday. They will focus upon Matisses' perception of nature within the natural world and observe similarities, differences and change. They will progress their moving and handling skills when cutting out shapes and arranging them within the style of their artist.

Early Years Expressive Arts and Design Focus

Summer Term- Key Artist: **Paul Klee** surrounding their key concept of **Pattern** alongside their secondary concept of **Exploration**.

The children will explore the concept of Pattern within the style of the artist, Paul Klee. When surrounded within the concepts of exploration and place, the children will have developed their artistic independency to create art which is unique to them- having reasoned with the marks that they have made. They will explore a range of medias which will include printing and collage to create the style of block colours that is evident within Paul Klee's work.
