Key Stage 2 Home learning Year: 5 Week Beginning : 18.05.2020

Choose an appropriate activity for your children ensuring that you have talked about internet safety before undertaking the tasks below.

Monday	Learning task (click on hyperlink for access).
English (Reading and writing)	**Todays learning links to use setting descriptions** Click on the hyperlink and watch the two videos, then undertake the learning linked to applying description. The first two activities are computer based learning, the final activity can be written up into the home learning book. https://www.bbc.co.uk/bitesize/articles/z4brcqt
Spelling	**To investigate words ending in –able and –ible Words ending in –ably and –ibly** (Rule 42; part 2). https://spellingframe.co.uk/ Click on view words. Look at the words and read them. Use a dictionary to find the definitions of some of the words that you don't know. Choose 4 words from the list and then write a sentence for each word in your home learning book.
Maths	**Today you will be applying your mathematical learning multiples and factors** Click on the hyperlink and watch the revision videos. Then undertake the learning activities. The first activity can be written into the home learning book, for the second activity you will need to either print off the frog sheet or take a picture on your tablet and place the counters onto the screen https://www.bbc.co.uk/bitesize/articles/zfchpg8 Use a multiplication grid if this helps you to recall the multiples. Click here to print off a copy if you need one.

Tuesday	Learning task (click on hyperlink for access).
English (Reading and writing)	**Todays learning is linked to using prepositions in setting descriptions** Click on the hyperlink and watch the two videos linked to the use of propositions, then undertake the learning tasks. The first activity is a computer based, the second activity can be written into the home learning book and the final one can be either printed off or you can just write down the prepositions and then write a description of your bedroom. https://www.bbc.co.uk/bitesize/articles/zbkwqp3
Spelling	**To investigate words ending in –able and –ible Words ending in –ably and –ibly** (part 2). Today you are going to play Snowball Smash. Click on the word PLAY and then scroll down the page until you see the game. Good luck.
Maths	**Today you will be investigating squared and prime numbers.** Click on the hyperlink and go to the lesson. Watch the video clips and then undertake your learning. The first activity is computer based, where as the second one can be written into your home learning book (page 1). When you get to page two it might be worth taking a picture of the square and then cover up the numbers as instructed. https://www.bbc.co.uk/bitesize/articles/zvv6t39
English (Reading and writing)	**To investigate using alliteration and onomatopoeia in a setting description**. Today you will learning about how to use alliteration and onomatopoeia in writing to improve description. Use the video clips to help revise and learn what these two types of word use is and then apply it to the learning tasks. For activities 1 and 2 you will need your home learning book to record the learning. For activity 3 just write the phrases and then list the onomatopoeia words. Click on the hyperlink to access the materials. https://www.bbc.co.uk/bitesize/articles/zn26hbk
Spellings	**To investigate words ending in –able and –ible Words ending in –ably and –ibly** (part 2). Today you are going to apply your learning linked to this weeks word list.
