Key Stage 1 Home learning Year: 2 Week Beginning : 15.06.20

Choose an appropriate activity for your children ensuring that you have talked about internet safety before undertaking the tasks below.

We've added a logo of a printer  to the lessons which may require printing. This is optional and answers may still be written in home learning books.

Monday	Learning task (click on hyper link for access).
English (Reading and writing)	Today in English you are going to be looking at using co-ordinating conjunctions. A co-ordinating conjunction is a conjunction placed between words, phrases, clauses or sentences of equal rank, examples include: and, but, or. Click on the link to find the lesson: https://www.bbc.co.uk/bitesize/articles/zjdxhbk Begin by watching the video, read the teaching section below, then take a look at Activity One, decide whether each sentence contains a co-ordinating conjunction or not and write out the ones that DO in your home learning book. We will come onto activities two and three tomorrow.
Phonics/Spelling	Today's phonics objective is to explore homophones! A homophone is a word that sounds the same but has two different meanings and often different spellings. E.g threw and through. Click on the link to find the lesson: https://www.bbc.co.uk/bitesize/articles/z7g8jhv Begin by watching the short video then get your home learning book and a pencil ready to work through the activities. Activity one is an interactive game, Activity two is requires you to make a list of homophones that you know. Then, for the second part of Activity two there is a video to watch and some questions to answer. Have fun!
Maths 	Today in Maths we would like you to work through this lesson on 'Sharing'. Click on the link to access the lesson: https://www.bbc.co.uk/bitesize/articles/zfxtnrd Begin by reading the 'learn' section at the top, then watch the two videos. After this, have a go at Activity One which is a TT Rockstars worksheet, it would be easier to print off the document in order to work on it or you may draw the questions out (where appropriate) in your home learning book. Just a small amount of evidence which shows you have completed the learning will be great.

Tuesday	Learning task (click on hyper link for access).
English (Reading and writing)	Today in English you are going to continue looking at using co-ordinating conjunctions. Reminder: A co-ordinating conjunction is a conjunction placed between words, phrases, clauses or sentences of equal rank, for example: and, but, or. Click on the link to find the lesson: https://www.bbc.co.uk/bitesize/articles/zjdxhbk Begin by looking at Activity Two, complete the interactive game by highlighting the co-ordinating conjunction. Activity Three requires you to watch the video you watched during your Phonics/Spelling session yesterday, you will then go onto write a set of instructions using the guidance provided.
Phonics/Spelling	Today's phonics objective is to explore suffixes! A suffix is a group of letters that is added to the end of a word to change it's meaning or to form a different word. E.g hear and hear'ing'. Click on the link, which will take you to the lesson, https://www.bbc.co.uk/bitesize/articles/z6vc86f Begin by reading the 'learn' section and make notes in your home learning books. Then, watch the video to find out more. After this, please complete Activity One which requires you to make new words out of the words given to you using the suffixes provided. How many words can you make?
Maths	Today we would like you to continue to work through this lesson on 'Sharing'. Click on the link to access the lesson: https://www.bbc.co.uk/bitesize/articles/zfxtnrd Begin by completing Activity wo which is a TT Rockstars interactive resource. If you can, please record your answers in your home learning book too! Activity three is a game of Karate Cats, follow the link, press play, after the introduction please select 'Multiplication and Division' and level 'Bronze' to begin with. Work through the questions, enjoy!

Wednesday	Learning task (click on hyper link for access).
English (Reading and writing)	In English today we would like you to explore one arm robot letters when writing labels and descriptive sentences. Follow the link to access the lesson: https://www.bbc.co.uk/bitesize/articles/zfm3rj6 Begin by watching the video and read the teaching about describing words; also known as adjectives. Activity one requires you to draw seven boxes in your home learning book, at the top of each box write a robot arm letter, for example 'r' and then go on a hunt around your house to find objects containing that letter. Record items in your boxes as you go. Challenge: Can you find any words that contain more than one robot arm letter? We will continue with the other activities in the next lesson.
Phonics/Spellings	Today's phonics objective is to continue to explore suffixes! Reminder: A suffix is a group of letters that is added to the end of a word to change it's meaning or to form a different word. E.g hear and hear'ing'. Click on the link, which will take you back to the lesson you have started: https://www.bbc.co.uk/bitesize/articles/z6vc86f Read over the words you made during yesterday's lesson, then go onto complete Activity Two filling in the gaps on the sentences with the correct word and spelling. After this, write sentences for the words you did not use.
Maths 	In Maths today we would like you to work through this lesson on 'Grouping'. Click on the link to go to the lesson https://www.bbc.co.uk/bitesize/articles/zhwmhg8 Begin by reading the 'learn' section and making notes in your home learning book if this helps you. Then, watch the two videos and go onto the TT Rockstars link, again, you may wish to print out this document, alternatively, make notes and recordings in your home learning book. Question 4 contains 30 sums, you don't have to complete them all during this lesson, you will have time during tomorrow's lesson to complete these.

Thursday	Learning task (click on hyper link for access).
English (Reading and writing)	In English today we would like you to continue exploring one arm robot letters when writing labels and descriptive sentences. Follow the link to access the lesson https://www.bbc.co.uk/bitesize/articles/zfm3rj6 begin by accessing Activity Two 'Making a poster'. Please follow the instructions to make your poster with creative adjectives! Have fun!
Phonics/Spellings	Today's is the final lesson on suffixes. Reminder: A suffix is a group of letters that is added to the end of a word to change it's meaning or to form a different word. E.g hear and hear'ing'. Click on the link, which will take you back to the lesson: https://www.bbc.co.uk/bitesize/articles/z6vc86f Go straight to Activity Three 'Sort the Suffix', click on the link to open the document and read the teaching at the top, make notes on this and discuss with an adult or sibling to secure your understanding before working through the first page, writing your answers in your home learning book. Challenge: Complete the additional words on the second page.
Maths 	In Maths today we would like you to continue working through this lesson on 'Grouping'. Click on the link to go to the lesson: https://www.bbc.co.uk/bitesize/articles/zhwmhg8 Begin by completing Question four on the TT Rockstar sheet that contains thirty sums. Then go on to Activity Two which contains online questions, please record your answers in your home learning book.

Friday	Learning task (click on hyper link for access).
English (Reading and writing)	In English today we would like you to continue exploring one arm robot letters when writing labels and descriptive sentences. Follow the link to access the lesson https://www.bbc.co.uk/bitesize/articles/zfm3rj6 Begin by looking at Activity Three 'writing sentences about the monster' these should be about the monster you created and described yesterday. These should
Phonics/Spellings	Using all of the words containing suffixes you have written down this week, please create a colourful page containing as many as you can fit on! Use spelling strategies that we use in school, e.g rainbow writing where each letter is in a different colour, drawing around the word to show the taller letters and smaller letters and the order they come in, pyramid spelling whereby you start with the first letter and add a letter each layer of the pyramid. Have fun and please share your creations!
Maths	Today we would like you to work through this lesson on 'Odd and Even numbers' click on the link to go directly to the lesson https://www.bbc.co.uk/bitesize/articles/zr23c7h watch the video to begin with, it is around 5 minutes long. Then, go on to Activity One, it is a document with questions that can be printed or answered in your home learning book. Click on the answer sheet afterwards and mark your answers in a different colour. Well done, another week of home learning complete!
