Added extras
Please encourage your child to complete as many of the activities from the menu. However, these need to be paced to ensure children do not rush their learning and complete them during the first day! Homework is to be recorded in their homework books as provided. However, if your child wishes to complete their learning through other means e.g. use of PowerPoint, Word, drawings or models then please save these items and upon return we will ask for them to be sent into school. We will then celebrate their learning together as a class.
