Can you show what you have learnt in different ways? You could create your own place value chart or complete different calculations to show the difference. Be as creative as you can!
	Friday
English (Reading and writing)	**Today you will be linking music to writing skills.** Follow the hyperlink to the BBC bitesize website to learn all about dynamics in music https://www.bbc.co.uk/bitesize/articles/z6bpf4j Watch the first video to discover about dynamics then watch the second video (The Ten Pieces Party). Whilst you are listening, write down a list of emotions the music makes you feel. Can you up-level any of the language you have chosen? You could use the thesaurus tool on the computer programme word (shift, F7) or discuss it with an adult. Challenge- Complete the third learning activity on the BBC Bitesize website by following the hyperlink above. How will the music make you feel and how will you express that in your art work? Think about the descriptive language you could use to describe your painting or your feelings. Could you write a short story including some of the fantastic words you have thought of? You could link this to 'Emotion word, (comma) sentences' from the Ellison Sentence Menu (Ellison Sentence Menu)
Spelling	**Today you will be creating a poster based on spellings this week** Challenge- Can you write some of the words from this week's spellings into sentences? Can you create a poster drawing some of the words you have learnt this week? For example, you could draw a picture of the word 'experiment' along with the correct spelling underneath. You could cover up each word and get a family member to try and spell the word based on the picture.
Maths	**Today you will be using multiplication facts.** Battle alert! Join the battle to help your class win the TT Rock Stars challenge. This battle will last for one week so you have plenty of opportunity to help your classmates. Can you improve your Rock Status too? Good luck! https://ttrockstars.com/
