-Spelling homework is set on Spelling Shed.

Homework expectations

Half Term Homework Menu

Please encourage your child to complete activities of their choice from the menu below which covers learning across the half term. These need to be paced (one activity a week is ideal although some may take longer). Children do not have to complete every activity. Homework can be recorded in their homework books provided or if your child wishes to complete their learning through other means, e.g. use of PowerPoint, Word, drawings or models then they are more than welcome to be creative. Children have until **Wednesday 12th July** to do this (although work can be handed in once complete).

Weekly Maths and English Homework.

These will be sent out weekly, every Friday to be returned the following Wednesday. This will start next week to allow children to begin choosing from their Homework Menu.

Draw it / Create it	Research it	E-learn it
• Draw or paint your own Great Fire of London scene. Remember to include a variety of tints and tones to make your fire seem realistic. • Use a variety of materials to sketch Samuel Pepys. Can you use lines of different sizes and thickness, show pattern and texture by adding dots and lines or show different tones by using coloured pencils?	• How has the London Fire Service changed since 1666? Make a list using this video. • What are the stages in the life cycle of a plant? You could draw it or act it out and take a photo of each stage.	• ZUMOS – complete one of the mindfulness activities. • Look at this clip about Firefighters today. Why wouldn't the Great Fire of London take place now? • Use Turtle to practice coding. You could try all of the lessons and have fun!
Explore it	**Move it**	**Think it**
• Explore the Great Fire of London and discover what Fire marks were and why people acted the way they did before, during and after the fire. • Explore different pieces of music using this workbook. Which is your favourite piece of music?	• Take some time to focus on breathing deeply. • Complete Cosmic Yoga from You Tube. There are hundreds of workouts to choose from. • Practice your times tables and move with our Supermovers.	• Is it worse to fail at something or never try in the first place? • Are mistakes always wrong? • Should we always agree with our friends? • Which is better – being kind or being happy?
