Half Term Homework Menu

Please encourage your child to complete activities of their choice from the menu below which covers learning across the half term. These need to be paced (one activity a week is ideal although some may take longer). Children do not have to complete every activity. Homework can be recorded in their homework books provided or if your child wishes to complete their learning through other means, e.g. use of PowerPoint, Word, drawings or models then they are more than welcome to be creative. Children have until Wednesday 14th December to do this (although work can be handed in once complete).

Weekly Maths and English Homework.

These will be sent out weekly, every Friday to be returned the following Wednesday. This will start next week to allow children to begin choosing from their Homework Menu.
