Ellison Primary Academy Homework Menu

Year Group: Year 1 | Unit: Great Britain and Kenya: What similarities and differences do they share? | Term: Summer 2

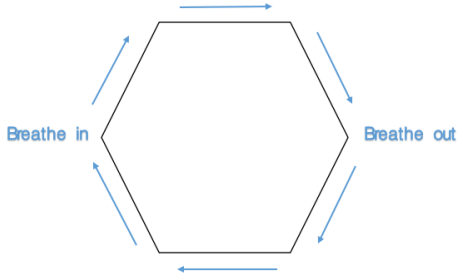

Daily expectations
Reading should take place daily. Some useful websites to help with this include: https://www.oxfordowl.co.uk/for-home/, https://www.kidsworldfun.com/ebooks/page9.php . Maths blasts should take place daily. Please focus on: number bonds to 10 (and 20), doubles to 10 and counting in 2s, 5s and 10s.
Homework expectations
Please ensure your child completes the maths and English learning opportunities from the menu below. Please encourage your child to complete ***at least one*** other homework suggestion for each of the different sections; Feel it, Move it, Research it. Children can obviously complete all opportunities if they prefer. Homework can be recorded in their purple homework book provided (not Home Learning books) or if your child wishes to complete their learning through other means, e.g. use of PowerPoint, Word, drawings or models then they are more than welcome to be creative. Homework is due back in school on **16th July.**

Feel it

- Talk to your grown up each day about something that was amazing during your day and something that was not so great. It can help you to process your emotions of the day by exploring the good and not so good things of each day.
- Go for a walk with your grown up, during your walk stop somewhere safe and close your eyes for 1 minute or 2 and just listen. Hear all the different noises and see how many different things you can hear. Is it quiet, or is it noisy? What sort of things can you hear? Try a different walk on a different day somewhere else and see if you can hear any different noises?
- Have a go at the breathing boards by following the lines with your fingers as you breath in and out.

Move it

- Join cosmic kids for all disco yoga https://www.youtube.com/watch?v=PSgZl8f5leU
- Complete this 5-minute superhero workout https://www.youtube.com/watch?v=cvMbkw2572k
- Have a go at the spell your name workout.

Research it

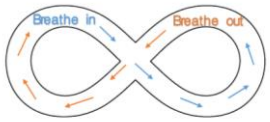

Science – Forces – Explore the different forces and how things move.

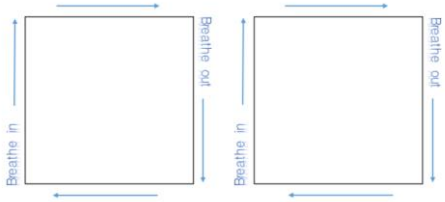

- https://www.bbc.co.uk/bitesize/topics/zn77hyc/articles/zptckqt
- Find objects around your house and compare how they move, using vocabulary like 'faster' and 'slower'.

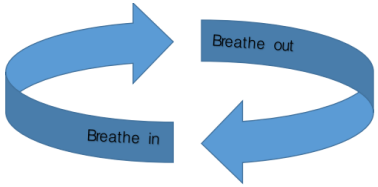

Geography – Weather – Identify seasonal and daily weather patterns in the United Kingdom.

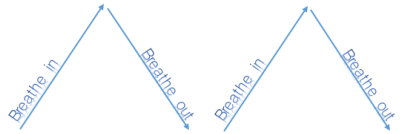

A useful website is:

- https://www.bbc.co.uk/bitesize/articles/zvkytrd
- Over a week record the daily weather, comment on the weather and the hours of darkness.
