association for Physical Education

YOUTH SPORT TRUST

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated Primary PE and sport premium guidance.

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Achieved specialist 'Gold' Gamesmark for academic year 2022-2023. Membership £250	Worked with local SGO to provide competitive opportunities including those for PP and SEND children. Key Indicator 2 met by ensuring pupils engaged in regular physical activity. Key Indicator 4 met by offering experiences of a range of sports and activities to all pupils. This including attending cross country, rounders, cricket, football and netball events as well as Sport4All festivals targeting SEN/PP children.	The sporting events were well received by pupils as shown during pupil voice questionnaires. They thoroughly enjoyed representing their school at various sporting fixtures.
Sporting Clubs	Pupils were offered various opportunities throughout the school year to attend	Children enjoyed the variety of clubs on offer. A pupil voice demonstrated

Included in Stoke City Community Trust silver Package - £2500 Included in Time4Sport Provision - £12, 186.00	sporting clubs. This included clubs provided by Stoke City Community Trust, Time4Sport and by members of staff. Pupils' attendance was tracked and monitored using new clubs register meaning children could be more easily targeted to attend. Key indicators 2 and 4 were met as this increased the engagement of pupils in physical activity whilst offering a range of experiences in various sports and games including 'alternative sports' such as archery and laser tag alongside other clubs such as football, netball, basketball, cricket, rounders, cross country and gymnastics.	which clubs they preferred as well as inspiring ideas for clubs they wished to enjoy during the next academic year.
School holiday clubs – Time4Sport £800	Pupils attend holiday clubs run by Time4Sport. This meets key indicators 2 and 4 as this increased the engagement of pupils in physical activity during the holidays and ensured they are exposed to a broader range of sports.	Children enjoyed holiday provision run by Time4Sport and enjoyed a range of sporting activities as a result.
Active Lunchtimes PE Lead release time - £194.00	Lunchtime staff had been previously train on how to implement and run different activities and zones during lunchtimes. PE lead liaised with lunchtime staff to continually update and cycle different activities and provide equipment for these activities. This meets key indicator 1 by	Lunchtime Supervisors staff voice shows improved confidence to lead activities and an improvement in children's enjoyment and behavior at lunchtimes as a result. Pupil voice indicates improved attitudes to lunchtime games. Behavior slips

	increased the confidence, knowledge and skills of staff as well as indicator 2 with increased engagement of children in more physical activity whilst also meeting indicator 3 using PE and sport as a tool for whole school improvement.	evidence from Mrs. Dawson indicates improved behavior.
Ellison Sporting Champions – PE/Sports Council (Included in SCFC Community Trust Silver Package) PE Lead release time - £179.00	The sports council named the Ellison Sporting Champions was previously established and its success was continued last year with those selected representatives from each class leading on sports projects across the school as well as receiving training from Stoke City Community Trust named 'Potter's Play Leaders' to lead on lunchtime games. This meets a number of key indicators.	The Sporting Champions project was successful with children's questionnaires showing the children became confident to lead on active lunchtime games independently following their Potter's Play Leaders Training. They continued to do this throughout the year using the Rota provided.
AfPE (Association for Physical Education) membership renewal. £100.00	This meets key indicator 1 as this membership ensure PE lead and subsequently all staff received updates, professional reading, articles and the sharing of best practice including any health and safety updates throughout the year.	Membership each year will ensure PE lead is updated with any changes in policy and best practice as well as providing CPD opportunities ensuring high standards of PE throughout the school.
	The scheme was introduced and is continuing to be embedded throughout the school. The scheme has been used to support the planning and teaching of the PE curriculum as well as supporting the	The GetSet4PE scheme has been combined to work alongside the

GetSet4PE Scheme renewal £440.00	PE lead with progression documents and other useful documents. This meets key indicator 1, increasing the confidence, knowledge and skills of all staff teaching PE.	school's concept designed curriculum. Staff voice confirms staff agreed the scheme had improve subject knowledge and confidence to teach PE.
Stoke City CPD – Specialist PE consultant Deborah O'Neill. Price included in Stoke City Silver Package £2500.00	This met key indicator 1 as it increased the confidence, knowledge and skills of staff teaching PE. 4 members of staff received the CPD based on staff voice questionnaires and varying needs.	2 staff –Autumn 1 ML (Gymnastics) RR (Ball Skills/Fundamentals) 2 Staff Autumn 2 (JD and CD (Gymnastics) Staff voice pre and post questionnaires demonstrates improved confidence to teach PE.
Time4Sport specialist provision. This includes each class receiving a term of lessons led by a specialist from Time4Sport based on 'Healthy Living', a term of CPD based on their PE unit and Key Stage 2 teachers received additional CPD based on OAA (Outdoor Adventurous Activities). Included in Time4Sport Provision - £12, 186.00	This meets a number of key indicators as the CPD for OAA and linked to the PE curriculum increased the confidence, knowledge and skills of all staff whilst engaging pupils in regular physical activity. The 'Healthy Living' sessions ensured regular physical activity whilst being a tool for whole school improvement as the sessions linked well	We identified OAA as an area of the curriculum that was not consistently taught well and so requested Time4Sport deliver OAA CPD to all Key Stage 2 staff (OAA not in the KS1 curriculum). Staff voices including pre and post- CPD questionnaires show improved confidence to teach and plan OAA lessons. The 'Healthy Living' sessions are additional lessons focusing

	to other areas of the curriculum.	on supporting children to lead a healthy and active lifestyle and are provided to all classes during the academic year.
Societas Trust Annual Sporting Event: Previous – Societas Virtual Olympics - Societas Commonwealth Event 2022- 2023 – Societashes Cricket Event PE lead release time x 4 meetings. 1 x morning for event. Total - £895.00	The annual Societas Trust Sporting Event is organized each year by the PE leads from each school across the Trust led by Ellison PE lead. Children from across the Trust take part in a broad range of sporting activities meeting Key Indicators 2 and 4. These games are often competitive meeting key indicator 5.	This year's Societashes event was held at Stoke City's training Dome and was linked to the 2023 Ashes series. Year 2 children from each school within the Trust met to enjoy cricket-based activities. This was support by a local cricket club and Chance2Shine cricket charity creating relationships with local sports organizations. Children were rewarding with certificates from the event including a QR code and links to access cricket outside of school.
PE and Active lunchtime equipment.	The GetSet4PE scheme followed by the school includes a 'kit list' of equipment that is required for each unit. The selected units' equipment that school did not already possess was purchased whilst old, broken equipment was replaced. Equipment needed to support the provision during active lunchtimes was also purchased. This increased staff confidence to deliver PE as a staff voice showed staff were less confident to teach PE when equipment is not readily accessible meeting key indicator 1. It also meets key indicators 2 and 4 by ensuring	The new equipment met the curriculum needs and staff voice questionnaire supports that staff feel more confident to deliver PE lessons knowing that equipment is readily accessible. The new equipment also ensured children could access new sports such as handball now on the PE curriculum.

Total – £805.00	children are regularly engaged in physical activity and experiences a broader range of sports selected in the new PE curriculum.	
Ensuring all equipment is up-to date and safe for all users throughout the school. SportSafe UK - £214.40	SportSafe UK are a company used to ensuring that our gymnastics equipment is well-maintained and safe to use each year. This meets key indicators 2 and 4 by ensuring children are safe when enjoying gymnastics lessons.	The SportSafe UK report indicated a number of benches and gymnastics equipment required maintenance. They repaired the equipment as part of the price. This also ensured the school could offer a gymnastics club in addition to gymnastics lessons as requested during pupil voice questionnaires.
Year 2 Scootability £520	This meets key indicator 2 by ensuring children are engagement in regular physical activity. Scootability provides scooting lessons to support children in learning this skill in the hope they continue to scoot outside of school.	All Year 2 pupils were able to take part in scooting lessons in which they learnt how to scoot safely in and outside of school and are encouraged to continue this outside of school.
	The Newcastle and Kidsgrove Sports Federation and work with the SGO provides pupils with the opportunity to compete in competitive sport (key indicator 5) against schools in the local area.	As a result of the work with the SGO and competitions organised, Ellison were able to meet the School Games Mark of Gold whilst also sending teams to compete in numerous events including Sport4All festivals for SEND children, cross country tournaments, football, netball, cricket and rounders fixtures.

Membership to Newcastle and Kidsgrove Sports Federation and work alongside School Games Organiser (SGO) Included in membership – £250		Transport ensured children could access sporting events: - Netball tournaments x2 - Cross Country Fixtures x2 - Sport4all – x1 - Rounders – x2 - Societashes x1
Transport to competitive events provided by the Newcastle and Kidsgrove Sports Federation and SGO. Total. - £1000.00	Without the provided transport, children would have been unable to attend the competitive sporting events and so the transport costs meet key indicator 5. Transport was also provided for SEN children to attend a Sport4All festival ensuring they engaged in regular activity and experience a broad range of sports including Boccia and indoor Kurling. Transport was also provided for children attending the Societashes event.	

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
e.g. Introduce lunchtime sport sessions/activities for pupils.	*Lunchtime supervisors / teaching staff, coaches - as they need to lead the activity*		*More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.*	*£1000 costs for additional coaches to support lunchtime sessions.*
To achieve 'Platinum' Gamesmark award for academic year 2023-2024.	PE lead to attend meetings. Pupils to attend organised events.	Key Indicator 2: Children involved in engagement of regular physical activity Key Indicator 5: Children to participate in increased competitive sport.	Maintaining and growing the school's engagement in the School Games and the delivery of 60 active minutes for every child. Creating positive experiences by ensuring physical activity and competition provision is designed to reflect the motivation, competence and confidence of young people and has a clear intent.	£200 membership.
To provide a broad range of sporting clubs.	Pupils tracked using clubs register. Time4Sport coaches. Stoke City coaches. Staff members.	Key Indicator 2: Children involved in engagement of regular physical activity Key Indicator 4:	More pupils meeting their daily physical activity goal, pupils experiencing a broad range of sports and activities through a	Stoke City Silver Package - £2500 Time4Sport Provision –

		experiencing a broader range of sports and activities of all pupils.	variety of clubs. Some clubs are linked to competitive fixtures provided by SGO. Pupil Voice questionnaire to provide responses to enjoyment and impact of clubs.	Estimate: £7,605
To provide physical activity during holiday clubs.	Pupils attending holiday clubs. Time4Sport coaches.	Key Indicator 2: Children involved in engagement of regular physical activity	More pupils meeting their daily physical activity goal, pupils experiencing a broad range of sports and activities through Time4Sport specialist provision.	Time4Sport holiday clubs – Estimated : £56.25 per day. Approx. £800 total
Sporting Champions Active lunchtimes training.	Sporting Champions. All pupils at lunchtimes. Stoke City coaches. PE leadership time. Chance2Shine Coaches. Time4Sport coaches.	Key Indicator 2: Children involved in engagement of regular physical activity Key indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement	The Sporting Champions will receive training on how to run and lead lunchtime games from coaches from Time4Sport, Stoke City and Chance2Shine. Pupils will remain in the role for 2 years to ensure sustainability and they will lead on a variety of lunchtime games during this period.	Included in Stoke City Silver package, Time4Sport Provision. Chance2Shine – no cost.
To ensure PE leader and staff remain up to date with latest subject developments - AfPE (Association for Physical Education)	PE lead. All staff.	Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport	Membership each year will ensure PE lead is updated with any changes in policy and best practice as well as providing CPD opportunities ensuring high standards of PE throughout the school	£100.00

membership renewal.	PE lead. All staff. All pupils.	Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport Key Indicator 2: Children involved in engagement of regular physical activity	The renewal of the scheme will ensure a high-quality provision of PE teaching for all pupil whilst supporting PE leader's role with additional resources available.	£440.00
To ensure high-quality provision for all children - GetSet4PE Scheme renewal				
To improve confidence and quality of staff provision – Stoke City specialist CPD	Selected staff. NM/CD IS/RD	Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport	Staff have been identified as needing CPD in a chosen area of the PE curriculum and pre and post CPD questionnaires should indicate improved confidence.	Included in silver package.
To improve confidence and quality of staff provision To ensure children understand how to lead an active, healthy life. - Time4Sport provision including CPD and healthy living sessions	All staff. All pupils.	Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport Key Indicator 2: Children involved in engagement of regular physical activity	All staff will receive CPD in a chosen area of the curriculum – pre and post CPD questionnaires to support improved confidence. All pupils to receive healthy living sessions during the academic year.	Time4Sport provision – Estimated £13,000

Societas Annual Sporting event – inclusion theme. PE leadership time x4 meetings X1 event.	Year group TBD/SEND provision TBD PE leader of Ellison. PE leaders across the Societas Trust.	Key Indicator 2: Children involved in engagement of regular physical activity Key indicator 4: experiencing a broader range of sports and activities of all pupils. Key indicator 5: Increased participation in competitive sport.	This year's Societas Sporting event will have a focus on inclusion linked to the Trust's Inclusion themed Trust day. The leaders will work on SEND provision across the Trust within PE.	PE leader time. Estimate £1000
To ensure high-quality provision of the PE curriculum and all lessons have safe and relevant equipment.	PE leader. All pupils.	Key Indicator 2: Children involved in engagement of regular physical activity Key indicator 4: experiencing a broader range of sports and activities of all pupils	Resources to be kept inside PE shed and monitored using GetSet4PE schemes 'kit list' to ensure use of equipment is sustainable.	Estimate - £1500-£2000. SportSafe UK – estimate £250 - £400
To provide pupils with the opportunity of involvement of competitive sports.	School teams. All pupils during clubs. PE leader. Staff providers.	Key indicator 5: Increased participation in competitive sport.	PE lead to work alongside SGO to ensure children have access to competitive sports provided.	Transport costs – estimate - £800. Newcastle and Kidsgrove Sports Federation membership - £250
To provide comprehensive professional development for P.E leaders and	P.E leaders All staff	Key indicator 1: Increased confidence, knowledge and skills of all staff in teaching PE and sport	PE lead to work alongside the Youth Sports Trust to ensure PE and Sport Premium is invested well – School will be given a Quality Mark for the	Youth Sports Trust membership - £225 per academic year.

staff teaching P.E			subject and provided with resources and CPD to support staff. PE lead to attend YST conference.	

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Ellison achieved 'Platinum' Gamesmark award for academic year 2023-2024.	We attended more sporting events held by our SGO than ever before, including the introduction of girls' football and cricket teams in Years 6. P.E lead also completed a case study based on improving girls' attitudes and involvement within PESSPA. This case study evidenced the work required to achieve the Platinum Gamesmark. As a part of the case study process, PE lead interviewed girls from various year groups who act as sporting champions, before and after the girls' case study. PE lead ran an intra-school girls' football competition during the Summer 2 term for each class across KS2.	We are extremely proud of achieving the Platinum GamesMark award as it is the highest award we could have achieved in the government-led scheme, showcasing the amount of school sports, physical activity and physical education the school offers.

To provide a broad range of sporting clubs.	We had increased attendance in sporting clubs as shown in the Clubs Registers, including increased PP and SEN attendance. We offered a wide range of clubs to all year groups, with each year group having a club led by Time4Sport and Stoke City Community Trust during the year, with Year 6 teachers offering additional clubs linked to the sporting events to be attended. We also ran Dance clubs at the start of the year.	These were hugely popular and will continue in the same structure during the next academic year. PE lead has also researched other external providers of clubs in anticipation of the next academic year.
To provide physical activity during holiday clubs.	Pupils attended Time4Sport holiday camps during all half-term holidays and this increased participation in physical activity for those children during the holidays.	
Sporting Champions Active lunchtimes training.	Our Sporting Champions received training from Chance2Shine (Cricket Charity) as well as from Stoke City Community Trust and have since been running and organizing lunchtime activities and games.	

To ensure PE leader and staff remain up to date with latest subject developments - AfPE (Association for Physical Education) membership renewal.	PE lead uses the AfPE membership to ensure he stays up-to-date with latest pedagogy and practice within the subject as well as its national updates.	
To ensure high-quality provision for all children - GetSet4PE Scheme renewal	The GetSet4PE scheme was successful in improving the quality of PE provision across school as well as improving staff confidence according to a staff voice questionnaire.	The scheme proved popular at a number of Trust schools too so we have purchased a Trust membership package for the next academic year.
To improve confidence and quality of staff provision – Stoke City specialist CPD	The pre and post- CPD questionnaires completed by all 4 members of staff who received SCFC CPD training last year show improved levels of confidence and skill to teach PE this year.	PE lead has structured the PE curriculum to ensure those who received CPD this year will be able to apply it next year, regardless of year group changes.
To improve confidence and quality of staff provision To ensure children understand how to lead an active, healthy life. - Time4Sport provision including CPD and healthy living sessions	Each class received two terms of support from Time4Sport coaches. One term was focused on a CPD need identified from staff voice questionnaires and the other was a healthy eating and living focused session. These are highly regarded at Ellison as they provide our children with continued support on living a healthy lifestyle.	The healthy living sessions will continue again this year and have been mapped out for the next academic year.
Societas Annual Sporting event – inclusion theme. PE leadership time x4 meetings X1 event.	PE lead organised and ran a sporting event linked to the Paris Olympics/Paralympics. SEND children from across Key Stage 2 attended a inclusive, collaborative event held at the	

	Stoke City Dome and PE lead also ran a variety of in-school projects to promote the Olympics/Paralympics including P4C stimuli, a sponsored athlete visit, each class running with the 'Societas Torch' and 'jumping' the height of the Eiffel Tower. PE lead also ran assemblies promoting this work.	
To ensure high-quality provision of the PE curriculum and all lessons have safe and relevant equipment.	Equipment used for CPD and training purposes supported the teaching and learning within PE.	
	Increased attendance and opportunities within competitive sports following introduction of girls' cricket and football teams in Year 6, Year 5 team played a competitive tournament on the pitch at the Stoke City stadium and St. George's Park, where they met the England Team and Prince William, intra-school competitions for girls' football and other fixtures such as cross country, football, cricket and rounders.	
To provide pupils with the opportunity of involvement of competitive sports.		
To provide comprehensive professional development for P.E leaders and staff teaching P.E	PE lead led a staff meeting on PE and curriculum developments. 4 staff members received CPD from Stoke City Community Trust. All staff received CPD from Time4Sport during the year. Year 4 teachers received CPD from a local	

	tennis coach following PE lead attending a LTA course. 4 members of staff received CPD from Chance2Shine following PE lead contacting them for free CPD and in school cricket project.	

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.
Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

Question	**Stats:**	**Further context** **Relative to local challenges**
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	85% have passed beginners 58% have passed length. (25 metres)	*Our children missed out on two of their three final sessions at the local swimming pool due to their heating problems and the facility being used as a voting centre. This meant that children missed out on their final assessment.*
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	58%	*We have identified a list of 10 children that we believed could meet this indicator competently but had not been assessed in doing this.*

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	41%	*Identified children have also been identified that we believe could meet this indicator but are yet to be assessed.* *They are planned to attend swimming during the Summer 2 term.* *This would increase our figures by a further 17%.* *Children are planned to attend swimming during the Summer 2 term.*
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No	We use our local swimming facility and coaches.
